Boiler type	Combi	
	Q25C Q38C	Q51C
A Height	680	680
B Width	840	1000
C Depth	385	385
D Left side / flue gas exhaust	335	495
E Centre to centre / flue gas exhaust and supply	120	120
F back / flue gas exhaust	270	270
G Left side / gas pipe	65	65
H Left side / flow pipe	185	185
J Left side / return pipe	285	445
K Left side / condensate pipe	370	530
L Left side / expansion pipe	430	590
M Left side / return pipe DHW		
N Left side / cold water pipe	725	885
O Left side / hot water pipe	795	955
P Pipe length of g*	18	18
Q Pipe length of c*	50	50
R Pipe length of f, r, e, d, k and w*	60	60
S Back / Centre of pipe c*	25	25
T Back / Centre of pipe g*	40	40
U Back / Centre of pipe f, r, e, d, k and w*	50	50
